Announcement

January 7th 2009

Dear Shareholder

Further to my letter dated 3/12/2008, I would like to advise that the Frontier Entitlements Issue now closes on Tuesday 20/1/2009.

Frontier needs your support to ensure that we can complete the resource estimations for the Narrawa and Stormont Deposits and continue as a going concern.

I would ask that, if at all possible, you subscribe for a minimum amount of 11,112 shares (\$388.92), to enable the Options to be listed on the ASX. If you have already subscribed for a lesser amount, I request that you seriously consider increasing the subscription to the minimum amount noted above.

You were previously mailed a Prospectus which contained an entitlement form. If you are unable to locate this Prospectus or entitlement form please contact Julia on (08) 9228 0703 urgently to receive a replacement. I suggest that you read the prospectus to fully inform yourself of our exploration plans and proposed strategy forward.

I will be in the field from this weekend through the end of January, but any questions can be directed to the Chairman - Bob McNeil on (07) 5592 2274 or Director - Graham Fish on 0418 148 473.

Thank you for your historic and future support.

Sincerely,

FRONTIER RESOURCES LTD
