STORMONT GOLD MINE AND JOINT VENTURE, TASMANIA – MINING PROGRESS AND UPDATE

BCD Resources NL released an announcement to the ASX today (copy attached) advising positive progress with the commissioning of the Stormont Gold Mine owned by Frontier Resources Ltd (5% Nett profits Interest), Torque Mining Ltd (45% Nett profits Interest) and BCD Resources NL (50% Nett profits Interest) in north central Tasmania, Australia.

Stripping of waste rock and mining of the near surface Stormont ore commenced in December 2013, a substantial stockpile was built up and is now being processed through BCD's Beaconsfield Mill.

Frontier Resources also has a 10% Free Carried Interest to Completion of 'Bankable Feasibility Study' in Torque's surrounding Moina Project tenements, that are prospective for additional precious and / or base metal deposits.

Frontier will also be repaid long term debt from Torque Mining Ltd when the Stormont JV mining/processing/gold sales have been finalised.
