14 February 2011

Nicholas Ong
Principal Adviser, Listings Perth
ASX Limited

Dear Nicholas

I refer to your letter of 14 February 2011 and comment as follows:

1. The Company is not aware of any information that has not been announced. I refer to the Company announcement of 7 February in relation to the Andewa Project and as announced the Company is having rock chip samples analysed and expect results near the end of February.
2. N/A
3. There are no other explanations that can explain the price volume movement.
4. The Company is in compliance with the ASX listing Rules and in particular Listing Rule 3.1.

Kind regards

Jay Stephenson
COMPANY SECRETARY
