Invitation to Participate in Frontier Resources Ltd Share Purchase Plan Funds for Exploration at Stoneleigh and Tinga Porphyry Copper-Gold Prospects, plus Tolukuma EL Application

Dear Shareholder,

Frontier Resources Ltd (**Frontier**) is pleased to announce details of its Share Purchase Plan (**Plan**) to raise up to \$410,044 to provide funds for mineral exploration in Papua New Guinea, including clearing access routes and trench sampling at the Tinga porphyry copper- gold and Stoneleigh Prospects, plus the Tolukuma Gold EL Application and Corporate costs, on the terms and conditions contained in this letter (**Offer**).

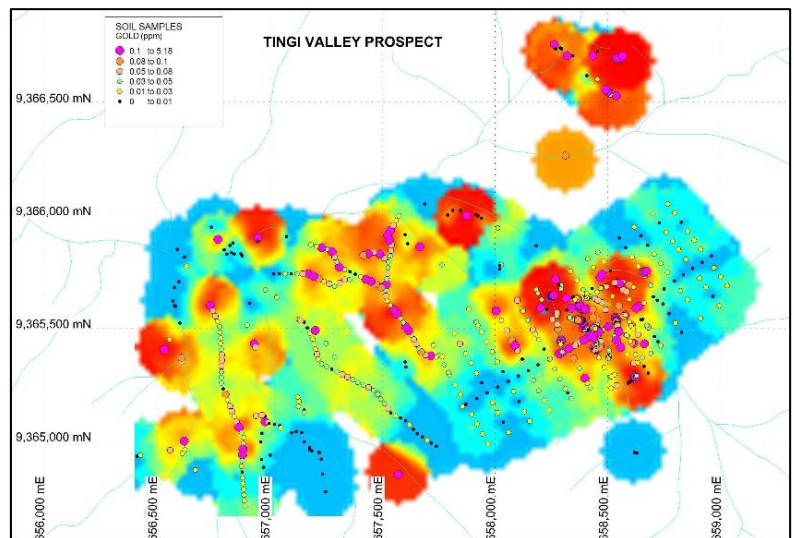

Under the Share Purchase Plan, Eligible Shareholders have the opportunity to purchase up to \$15,000 worth of fully paid ordinary Frontier shares (**Shares**) at **\$0.017 per share representing a 30.32% discount** to the 31-day volume weighted average price (**VWAP**) over the past 31 trading days prior to announcement and a 17.89% discount to the 5-day VWAP price, without incurring brokerage /transaction costs.

Shareholders Eligible to Participate in the Plan

The right to participate under the Plan is optional and is available exclusively to Frontier shareholders who are registered as holders of Shares at 5.00 p.m (Eastern Standard Time) on the Record Date of 9th August 2017 and whose registered address is in Australia or New Zealand (**Eligible Shareholders**).

Share Purchase Plan

The Plan entitles Eligible Shareholders, irrespective of the size of their shareholding, to purchase up to \$15,000 worth of Shares priced at a discount of 17.89% to the volume weighted average market price (**VWAP**) for the Shares over the last 5 trading days on which sales in the shares were recorded before the day on which the issue was announced at 1.7 cents/share (**Price**). The Price represents a 17.89% discount to the VWAP of Frontier Shares traded on the ASX during the 5 trading days immediately prior to the announcement date of this Offer, being 2.07 cents.

Frontier intends to raise a maximum of \$410,044, as limited by the Australian Securities Exchange (**ASX**) Listing Rules to a maximum of 24,120,275 Shares, representing 30% of Frontier's share capital.

Frontier will close the issue at the time required so that not more than 30% of that number of Shares already on issue, will be issued under the Plan. This means the issue could close early and subscriptions will be accepted in their order of receipt. Directors Peter and Paige McNeil's entities intend to participate in the Share Purchase Plan. Any required scaleback decisions will be made by the Board and are final.

An outline of the Plan is set out in this letter and the enclosed Terms and Conditions. An Application Form for the Plan (**Application Form**) and reply-paid envelope are included in this package.

Current Activities

Details of Frontier's current activities are set out in the announcements made by Frontier to the ASX and are available from the ASX, or Frontier's website at www.frontierresources.com.au. **The funds raised under the Plan will be used for gold and porphyry copper- gold exploration on the Muller and Andewa EL's, the Tolukuma Region EL Application and Corporate costs.**

How much can you invest?

Eligible Shareholders may each apply for a maximum of \$15,000 worth of Shares under the Plan.

Subscription and Application Procedure

If you would like to participate in the Offer, no late applications will be accepted and you can either:

- Complete the enclosed Application Form and send it together with your payment by cheque made payable to “Frontier Resources Ltd” and drawn in Australian currency for the correct amount, to Frontier’s share registry, Computershare at GPO Box 505 Melbourne Victoria 3001 Australia to be received by the share registry no later than 5.00 p.m (EST) on the Closing Date of 30 August 2017; or
- Make a BPAY¹ payment from your cheque or savings account by using the Biller Code and Reference Number shown on your Application Form which is required to identify your holding. If you have multiple holdings you will have multiple BPAY Reference Numbers.

To ensure you receive your Shares under the Offer in respect of that holding you must use the specific Biller Code and Reference Number shown on each personalised Application Form when paying for any Shares that you may wish to apply for in respect of that holding. If you inadvertently use the same Reference Number for more than one of your applications, you will be deemed to have applied only for that application to which that Reference Number applies and any excess amount will be refunded.

If you make your payment using BPAY¹ you do not need to return your Application Form. New Zealand holders will not be able to make a payment using BPAY¹.

Payments made by BPAY¹ received after 5.00p.m. (EST) on 30 August 2017 will not be accepted. Applicants should be aware that their own financial institution may implement earlier cut off times with regards to electronic payment, and should therefore take this into consideration when making payment. You may also have your own limit on the amount that can be paid via BPAY. It is your responsibility to check that the amount you wish to pay via BPAY does not exceed your limit.

¹ * Registered to BPAY Pty Ltd, ABN 69 079 137 518

Applicants should not forward cash and direct bank transfers are not permitted.

The Board recommends that you obtain your own financial advice in relation to the Offer and consider price movements of Shares in the 3 months prior to making an application under this Offer.

The maximum amount proposed to be raised under the Offer is \$410,044. In the event of oversubscription on the Closing Date the Directors may, in their absolute discretion, scale-back applications as received. Scale-back for Shares held by Custodians will be applied at the level of the underlying Beneficiary. If Frontier rejects or scales-back an application or purported application, Frontier will promptly return to the shareholder the relevant application monies, without interest.

Shareholder Share Purchase Plan - Terms and Conditions

Purpose

The purpose of the Shareholder Share Purchase Plan (**the Plan**), which will be conducted in conjunction with the Placement, is to offer shareholders of Frontier Resources Ltd (**Frontier**) the opportunity to acquire additional fully paid ordinary shares in Frontier (**Frontier Shares**) up to a maximum of \$15,000 (when combined with any shares issued under any share purchase plan in the 12 months preceding the date of the Plan).

The issue price under the Plan will be at a discount of 17.89% to the average market price (VWAP) for Frontier Shares over the last 5 days on which sales in the shares were recorded on the financial market operated by ASX Limited (**ASX**) before the day on which the issue was announced, and a 30.32% discount to the 31-day VWAP of \$0.024. Frontier Shares will also be issued without the need to pay brokerage costs and without the need for Frontier to issue a Prospectus. The Plan is governed upon such terms and conditions as the board of directors of Frontier, in its absolute discretion, sees fit.

Shareholders Eligible to Participate

Holders of Frontier's Shares that are registered with an Australian or New Zealand address at the relevant record date are eligible shareholders (**Eligible Shareholders**) and may participate in the Plan, unless such registered shareholder holds shares on behalf of another person who resides outside Australia or New Zealand. Due to foreign securities laws, it is not practical for shareholders resident in other countries to be offered the opportunity to participate in the Plan.

Participation in the Plan is optional and is subject to these Terms and Conditions. Offers made under the Plan are non-renounceable (i.e. Eligible Shareholders may not transfer their rights to any Frontier Shares offered under the Plan). Eligible Shareholders who wish to take up Frontier Shares issued under the Plan agree to be bound by Frontier's constitution in respect of Frontier Shares issued under the Plan.

An offer may, at the discretion of the directors of Frontier (**Directors**), be made under the Plan once a year. The maximum amount which any shareholder may subscribe for in any consecutive 12-month period is \$15,000. The Directors may also determine in their discretion the minimum amount for participation, the multiple of Shares to be offered under the Plan and the period the offer is available to Eligible Shareholders.

Custodians, trustees and nominees

If you are an Eligible Shareholder and hold Frontier Shares as a custodian (as defined in ASIC Class Order [CO 09/425] (refer below) (**Custodian**) or in any more specific ASIC relief granted to Frontier in relation to the Plan), you may apply for up to the maximum of new Shares for each beneficiary for whom you act as custodian provided you annexe to your Application Form a certificate to Frontier (**Custodian Certificate**) with the following information:

- that you held Frontier Shares on behalf of one or more other persons who are resident in Australia or New Zealand (each a **Participating Beneficiary**) at 9 August 2017 who have subsequently instructed you to apply for Shares under the Plan on their behalf;
- the number of Participating Beneficiaries and their names and addresses;
- the number of Shares that you hold on behalf of each Participating Beneficiary;
- the dollar amount of Shares that each Participating Beneficiary has instructed you, either directly or indirectly through another custodian, to apply for on their behalf;
- that the application price for Shares applied under the Offer for each Participating Beneficiary for whom you act plus the application price for any other Frontier Shares issued to you as custodian for that Participating Beneficiary under any arrangement similar to the Plan in the prior 12 months does not exceed \$15,000;
- that a copy of the written offer document was given to each beneficiary; and
- where you hold shares on behalf of a beneficiary indirectly, through one or more interposed custodians, the name and address of each interposed custodian.

For the purposes of ASIC Class Order [CO 09/425] you are a 'custodian' if you are a registered holder that:

- holds an Australian financial services licence that allows you to perform custodian or depository services or operate IDPS accounts;
- is exempt from holding an Australian financial services licence by virtue of Class Order [CO 03/184] or by relying on the Australian financial services licence of your master custodian under regulation 7.1.06(k) of the Corporations Regulations 2001;
- is a trustee of a self managed superannuation fund;
- is a trustee of superannuation master trusts;
- is a responsible entity of IDPS like schemes; and
- is noted on Frontier's register of members as holding the shares on account of another person.

If you hold Frontier Shares as a trustee or nominee for another person or persons but are not a Custodian as defined above, you cannot participate for beneficiaries in the manner described above. In this case, the rules for multiple single holdings (above) apply. Custodians should request a Custodian Certificate when making an application on behalf of Participating Beneficiaries. To request a Custodian Certificate and if you would like further information on how to apply, you should contact Computershare at any time from 8.30am to 5.00pm (Western Standard time) Monday to Friday during the Offer period.

Frontier reserves the right to reject any application for Frontier Shares to the extent it considers that the application (whether alone or in conjunction with other applications) does not comply with these requirements. Frontier reserves the right to reject applications in accordance with these Terms and Conditions.

Price of Frontier Shares

The price of Frontier Shares to be issued under the Plan will be at a discount of 17.89% of the volume weighted average market price for the shares over the last 5 days on which sales in the shares were recorded before the day on which the issue was announced.

Applications and Notices

At the discretion of the Directors, Frontier will send Eligible Shareholders a letter of offer and acceptance procedures, inviting them to subscribe for Frontier Shares under the Plan, and accompanied by these Terms and Conditions of the Plan and an Application Form. Applications will not be accepted after the closing date of the offer. Over subscriptions to an offer may be refunded without interest. Notices and statements made by Frontier to participants may be given in any manner prescribed by its Constitution.

Placement of Shortfall

Any shortfall from the Offer may be placed at the discretion of the Directors.

Issue of Frontier Shares

Frontier Shares to be issued under the Plan will be issued as soon as reasonably practicable after the closing date specified by the Directors of Frontier in the relevant offer. The Shares issued under the Plan will rank equally in all respects with all other fully paid ordinary shares in Frontier from the date of issue. Shareholding statements or CHES notification will be issued in respect of all Frontier Shares issued under the Plan. Frontier will, promptly after the issue of the Shares under the Plan, make application for those Frontier Shares to be listed for quotation on the official list of ASX.

Modification and Termination of the Plan

Frontier may modify or terminate the Plan at any time. Frontier will notify ASX of any modification to, or termination of, the Plan. The omission to give notice of any modification to, or termination of, the Plan or the failure of ASX to receive such notice will not invalidate the modification or termination. Without limiting the above, Frontier may issue to any person fewer Shares than the person applied for under the Plan if the issue of Frontier Shares applied for would contravene any applicable law or the Listing Rules of ASX.

Raising Amount and Scale back

Frontier seeks to raise a maximum of \$410,044, by the issue of up to the maximum number of Shares that can be issued of 24,120,275 and Frontier reserves absolute discretion regarding the final amount raised under the Plan. In the event of an oversubscription by the closing date the Directors may, in their absolute discretion, scale-back all applications as received. If Frontier rejects or scales-back an application or purported application, Frontier will promptly return to the shareholder the relevant application monies, without interest.

Dispute Resolution

Frontier may, in any manner it thinks fit, settle any difficulties, anomalies or disputes which may arise in connection with or by reason of the operation of the Plan, whether generally or in relation to any participant, application or Frontier Shares. The decision of Frontier in this respect will be conclusive and binding on all shareholders and other persons to whom that determination relates. Frontier reserves the right to waive strict compliance with any provision of these terms and conditions. The powers of Frontier under these conditions may be exercised by the directors of Frontier or any delegate of the directors of Frontier.
